

2022 Art Garden Academy Scholarships

Our current scholarships are made possible by:
Art Garden Academy Fundraising
Seed-a-Start (www.seedastart.com)
Gahanna Area Arts Council (www.gahannaarts.org)
Art Love Collective (www.artlovecollective.com)

If at any point you're able to support these local non-profits please reach out to them via their website. Non-profit organizations can be supported financially but there are so many other ways through volunteering for specific projects or getting involved in a committee or even as simple as engaging on their social media accounts and showing up to their events!

Our scholarship funds are available on a first come, first served basis and we try to accommodate as many students as possible. We will get back to you soon!

Our scholarships recipients are completely confidential. I believe that it's hard enough to be a parent and a kid who needs financial assistance and we are simply here to help in every way possible to get creativity into the hearts and souls of children everywhere.

Kindly,
Juli Hess
